Lockers & Locks

- Students are encouraged to purchase locker organizers (removable shelves) to help them store their books and belongings neatly.
- At the beginning grade 6 every student will be given a lock to use for their three years in Middle School (6, 7 & 8). At any time during the three years in middle school, if a student is no longer in possession of their lock they will be required to purchase a new one at the current year cost. If a lock fails, it will be replaced. At the end of each school year, locks will be labelled with the student's name and combination and given back to them at the beginning of their next MS grade.

BYOD (Bring Your Own Device)

Students in Grades 7 & 8 will be required to have a personal device. These are the required specifications for BYOD at LCS for 2022-2023.

- **Battery Life: 6hr minimum**
- **RAM: 4GB (8GB or more highly recommended)**
- **SSD/eMMC (Solid State Hard Drive) Required**
- **Ability to run Google Chrome web browser**
- **Up to date Antivirus on Windows or Macintosh (Microsoft Defender, Avast, AVG, Kaspersky or BitDefender recommended)**
- **Built in keyboard (MS Surface Pro is acceptable) absolutely NO iPads or Android Tablets**

While a Chromebook is the minimum required for fulfilling our educational program, students and parents may find more value purchasing a higher quality Windows or Macintosh computer easier to work with in the long term, both for safeguards and performance.
