Policy Type: Education
Applies To: All Staff, Students, Visitors
Approved By: LCS Head of Schools
Policy Reviewed: every 2 years
Adopted: 06 2019

1. POLICY STATEMENT

- (a) The policy applies to international students studying at Langley Christian School in British Columbia who wish to earn a British Columbia Certificate of Graduation (Dogwood Diploma) and who have not had their educational program instructed in one of Canada's two official languages for at least two years prior to arriving in British Columbia. The International Student Graduation Credit Policy is not applicable to those students whose educational program was instructed in English or French for the two years prior to their arrival in British Columbia.
- (b) The policy provides independent school authorities with the flexibility to offer programs that meet the needs of international students while also ensuring that international students who intend to graduate satisfactorily complete specified courses in British Columbia's Graduation Program and do not earn all or certain course credits through an Equivalency review or Challenge process.

2. RATIONALE OR PURPOSE OF POLICY

- (a) Each year, many students come to LCS because they and their parents value the high quality of Christian education provided our school. Some international students enroll at LCS to upgrade their skills in English, or to benefit from a cross-cultural experience. These language/cultural programs do not involve the Ministry's accreditation or issuance of the Dogwood Diploma.
- (b) Other international students enroll at LCS with the goal of meeting graduation requirements and earning a Dogwood Diploma. In order to ensure adequate preparation for post-secondary education and competencies in English or French, this policy requires that international students earn credit for many core courses in the Graduation Program through enrolment in British Columbia schools. Only a limited number of courses in the Graduation Program level may be credited through challenge or equivalency assessments to ensure the international credibility of the Dogwood Diploma.

3. AUTHORITY

See Ministerial Order 302/04, the [Graduation Program Order \(PDF\)](#)

4. POLICY IN FULL

- (a) This policy recognizes that international students working towards a Dogwood Diploma may begin their studies at LCS at a point other than the beginning of their Grade 10 year (i.e., the start of the Graduation Program). Regardless of when students begin their graduation programs, international students must meet all graduation requirements as well as the requirements set out in this policy in ways that ensure competence in one of Canada's two official languages in order to obtain a Dogwood Diploma.
- (b) International students who enter a British Columbia school after Grade 10 may be able to meet many of their personal goals. However, international students who enter a British Columbia school at the beginning of Grade 12 may find it difficult to meet all of the requirements for earning a Dogwood Diploma, unless they have had considerable instruction in one of Canada's two official languages prior to coming to British Columbia.
- (c) To ensure language competencies, international students, when working toward a Dogwood Diploma, are restricted in which courses may be used to receive credit through equivalency, external credentials, or challenge for skills and knowledge obtained in a language other than English or French.
- (d) LCS may award an Evergreen Certificate (also known as a British Columbia School Completion Certificate) to students with special needs, in accordance with the requirements set out in the Student Credentials Order. To receive an Evergreen Certificate, the principal, in consultation with teachers, should ensure that the student has met the goals of his or her education program, or other criteria established by the independent school authority.
- (e) When a program leading to an Evergreen Certificate (School Completion Certificate) is advertised, or offered, communication should clearly distinguish the differences between an Evergreen Certificate and a Dogwood Diploma, indicating that an Evergreen Certificate will not satisfy university entrance requirements.
