**WELCOME.** We are a Christian teaching and learning community that celebrates the diversity of our students as part of God's design and intention for the world. We aspire to be a place of belonging and connection, and a people who model our lives on Christ, seeking justice, reconciliation and restoration by learning from and welcoming the vulnerable and marginalized. We strive to be a place that educates and equips ourselves, students and families, to be understanding of difference and embody dignity, respect, grace and God's unconditional love.
