Equipping Students. Transforming Lives.

Our mission is to educate, inspire and equip students in Christ-like discernment, to discover their gifts and to seek their calling so together we can transform lives and communities.

EDUCATIONAL VISION

Greater Purpose. Greater Community.

A thriving Christian learning community, connected outward and inward, serving together as leaders to empower students to have an impact in a changing world, for the Glory of God.

CORE VALUES

Connect (Langley)

Thrive (Christian)

Equip (School)

We foster strong community and Christian relationships built on connection with dedicated, collaborative faculty, where every student is known and supported by a caring adult.

We provide faith-forming experiences to encourage the values and attributes that promote wholeness and help students flourish as unique, confident individuals made in the image of God.

We strive for excellence in teaching and learning to provide every student opportunities for growth and to develop the skills, knowledge and identity in Christ to live a life of purpose and impact.

CURRICULUM MODEL

Know God. Love your neighbours. Live purposefully.

The LCS Curriculum model operationalizes the vision and core values through a distinctive educational experience outlined and maintained in the Curriculum Policy.

The Curriculum Policy will also outline the Curricular Position Statements of the school on matters of core doctrine and beliefs, and must be aligned with the LCS Constitution.
