

Dear Parents/Guardians,

A great deal of thought and time goes into making our class lists and I want to assure you that our staff have your son/daughter's best interest at heart. Teachers spend 172 days a year for 6.5 hours a day with your children and know them very well as learners, as well as unique image bearers of God. There are a lot of factors that are considered when class lists are made, including but not limited to: a balance of learning abilities, personalities, the ratio of males and females, and fit with the teacher.

Middle school is the time for students to develop their confidence and learning skills and also to increase their friendship circles. While the classroom isn't always the best place for every friend to be together, there are many opportunities for friends outside of a homeroom to connect and play with during the school day. All classes have mixed ADST groups, recess time, lunch time, as well as before and after school to interact and play with each other.

Class lists have been set and will be posted at 3pm today (Friday, August 29). Occasionally, we may reassess placements within the first month to ensure classes are balanced and working well. Please note that we are unable to receive or respond to class placement requests this weekend, and through the first two weeks of school. This time is important for students to settle, adjust, and begin learning to work together as a community. We appreciate your patience and understanding as we focus on welcoming students and helping them start the year well. If after two weeks you still have concerns about your child's placement, please meet with the homeroom teacher to arrange a time to connect.

Thank you for partnering with us in equipping your child to thrive with faith and purpose in the world!  
In Christ,

Danny Nagtegaal  
Middle School Principal
