Thank you for your support in helping us keep this incredible new facility in pristine condition!

Mandatory Planner/Agenda for Grades 6 & 7

Planners will be given out the first day of class. The cost for mandatory agendas is \$10 and will be automatically added to your Blackbaud account for payment.

Lockers & Locks

- Students are encouraged to purchase locker organizers (removable shelves) to help them store their books and belongings neatly.
- Grade 6 & 7: will be provided one carabiner to secure their locker in a colour specific to their homeroom. If a student loses this carabiner, a replacement can be purchased at the office.
- Grade 8: will be provided a combination lock for use with their lockers. At any time during the year, if a student is no longer in possession of their lock, they will be required to purchase a new one at the current year cost. If a lock fails, it will be replaced

LAPTOP / ELECTRONIC DEVICES

Starting this September, LCS will be implementing a 1:1 Chromebook program for all Middle School students in Grades 6 through 8.

To ensure a streamlined and equitable learning environment, the following program guidelines will be true:

- **Individual Assignments:** Each student will be assigned a specific Chromebook that only they will use.
- **Student Responsibility:** Students will be fully responsible for the daily care, safety, and security of their assigned device. While the school handles routine maintenance and normal wear-and-tear, families may be held financially responsible for repair or replacement costs in cases of deliberate damage or abuse.
- **Campus-Only Use:** To protect the devices and keep student focus on learning, students will only use computers with teacher permission, and will not be permitted to take any computers home at the end of the day.
- **Device Policy:** Students will not be permitted to bring personal laptops, tablets, cell phones, or other personal devices for use during the school day, as the school-provided Chromebooks will fulfill all academic needs.
