

LIGHTNING PARTNERS TIERED GYM RENTAL ACCESS

Stop chasing gym time. Start building your program. Commit early and guarantee access to competition-grade courts, booked months in advance, in facilities worthy of your athletes.

Recurring or advanced gym rental access is made available to Lightning sponsorship partners only. Every tier has differing booking privileges. All other (non-sponsorship partner) rental inquiries are subject to availability and are booked no earlier than 30-days in advance. User-groups requiring an advanced booking (more than 30-days) for a non-recurring event are required to commit to a Community-level sponsorship.
