

LIGHTNING PARTNERS

ATHLETICS SPONSORSHIP PROGRAM 2026-2027

The Lightning Athletics program at Langley Christian School is inviting interest for sponsorship supporters for the 2026-2027 school calendar year running from September through August. All our Lightning sponsors will benefit from significant community exposure and recognition in our **community of 800+ families** and beyond in the Langley community.

Langley Christian School has 4 gymnasiums that are host to thousands of athletes and spectators, hundreds of teams from community clubs and schools across the province, and conference attendees, totalling an average total attendance of approximately **30,000 visitors per year**. *Due to tremendous demand for gym rentals for community-based clubs and user-groups, beginning September 2026, LCS will only provide access to recurring rentals to user groups who are both sponsors and meet our community club partnership criteria.*
