August 2026

Welcome back to school!

Dear Middle School Parents and Students:

Hello, and welcome back! It is my hope that all of you had a wonderful and restful summer, and that you got to experience the joy of the Lord in many wonderful ways. I know the start of school can bring out a variety of emotions for students (and parents), but I just wanted you to know that we are so excited to welcome you/your child back in a couple of weeks, as we begin life in our brand new building! I want to give a special "shout out" to the Grade 6 students, as well as new students in Grade 7 and 8, who will be joining the middle school for the first time. We look forward to having you here, and to helping you grow in purpose, serve with impact, and discover who God created you to be.

With school starting up again shortly, I wanted to remind you of a few important notes/dates to be aware of:

Middle School class lists will be virtually posted on our school website on Friday, September 4, at 3:00pm. They will not be physically posted on the school building.

There will not be school for any middle school students on Tuesday, September 8th.

Our first day of school for all students will be Wednesday, September 9th. Students are encouraged to be here by 8:15am so that they can find their classrooms, as the school day begins at 8:25am (please note that this is 5 minutes earlier than the previous middle school start time of 8:30). Middle School students are encouraged to enter the school through the main entrance at the front of the building. On the first day of school, students can bring all of their belongings directly into their classroom; homeroom teachers will settle them in and assign lockers throughout the first part of the morning.

Students can go to the following locations when they arrive:

Grade 6: Top floor

Grade 7: Second floor

Grade 8: Bottom floor

For those interested in seeing the new middle school, there will be an Open House on Wednesday after school from 3:00-6:00. You are invited to come and walk through and check out our beautiful new space during this time!

Student Supplies: Please visit the LCS website>parents>back to school for the list of school Supplies for the 2026/2027 school year.

Please note that, different than in previous years, Grade 8 students will no longer be taking laptops or any other devices to school.

For those of you on social media, we invite you to follow us on Instagram, @langleychristianschool.

Every homeroom uses Google Classroom. To access Google Classroom, have your child log in using their school Gmail account and you will be given a parent code to access our classrooms and news feeds.

Blessings to each of you as you enjoy the rest of your summer, and we will see you in September!

In Christ,

Danny Nagtegaal
Principal
Langley Christian Middle School
