

Dear Parents/Guardians,

A great deal of thought and time goes into making our class lists and I want to assure you that our staff have your son/daughter's best interest at heart. Teachers spend 172 days a year for 6.5 hours a day with your children and know them very well as learners, as well as unique image bearers of God. There are a lot of factors that are considered when class lists are made, including but not limited to: a balance of learning abilities, personalities, the ratio of males and females, and fit with the teacher.

Elementary school is a time for students to grow in confidence, develop strong learning habits, and build caring friendships and community. While the classroom isn't always the best place for every friend to be together, there are several opportunities throughout the day to connect and play. Students enjoy time with friends during recess, lunch, and before or after school, helping them build relationships across grades and classes in a natural and supportive way. Classes within a grade level frequently find times to connect and interact together in a variety of activities and learning experiences.

Class lists have been set and will be posted at 3 p.m. today (Friday, September 4). We may reassess placements within the first month to ensure classes are balanced and working well. Please note that we are unable to receive or respond to class placement requests during the first two weeks of school. This time is important for students to settle, adjust, and begin learning to work together as a community. We appreciate your patience and understanding as we focus on welcoming students and helping them start the year well. If, after two weeks, you still have concerns about your child's placement, please reach out to the homeroom teacher to arrange a time to connect.

Thank you for partnering with us in equipping your child to thrive with faith and purpose in the world!

In Christ,

Lori Van Dop
Elementary School Principal
