PAC MEETING- April 8

HIGH SCHOOL UPDATE

1. Preparation for 2026-2027 School Year began with our Course Information Night Jan 28

- 62 parents attended the HS Course Information Night
- House Directors meet with all Gr. 9-11 students in February to guide and advise students through the course selection process over the first 3 weeks of February
- These course selections will inform our scheduling process and confirmation of elective courses for students.
- We strongly encourage parents to be involved in this process and to have conversation with their son or daughter about next year's course selection.

2. Grad Breakfast Jan 28: Grad Committee

- Thank you to Stephanie Stovold, Kelly Houseling, Steph Wright and their team
- Huge lift from all our parent volunteers to make this happen
- If you can get over 100 Gr. 12s out to bed to an event...it must be spectacular!
- There was grad trivia, baby photos and a tremendous breakfast spread.

3. Grad Ski Day; Feb 4

- Being the Head of School has its perks and Adam, myself and Grade 12 community group chaperoned the Grad Ski beautiful Day of skiing, snowboarding or snow shoeing at Whistler

- This is one of the highlights of our Grads events.

4. Bamfield Marine Centre- Feb 23-26

- Thank you to the PAC grant to subsidize the transportation costs for students participating in the Bamfield Marine Science Centre
- The Bamfield Marine Sciences Center is located in Barkley Sound on the west coast of Vancouver Island, adjacent to Pacific Rim National Park and the starting point of the West Coast Trail. BMSC provides unparalleled access to various environments - coastal, marine, and rainforest habitats- and hosts researchers from UVic, UBC, SFU, UofC, and UofA. BMSC hosts a small number of high school groups each fall and spring.
- 11 High school students attended with Alexis Pelling & parent, school bus driver Danny Ferguson; a special thank you for Danny stepping in at the last minute to join this group.
- Alexis shared this Highlight: Students explored a wide range of ecosystems and field experiences included the return of herring spawning in the area for the first time in 50 years, a hopeful sign that the local environment is healing, this also brought abundant wildlife close to the dock, including many eagles and pods of 10–12 sea lions. Fantastic shared high level learning experience & tremendous opportunity for connection and relationship building.

5. Athletics March Basketball Provincials

- Huge support from our school community from all 3 campuses to cheer our Senior Girls at provincials. In their first year in AAA Senior Girls finished with a Provincial Silver Medal.
- Massive LCS fan support for our Senior Boys as they won EVAA championship at ACS and finished in 7th place at Provincials.

6. Parent Teacher Conferences March 10

- 310 Total appointments 110 parents (this is a nearly double of attendees from last year)
- Interim Report Cards issued on March 6; the PT conferences came on the heels of an update as to achievement and an opportunity to communicate next steps for students

7. Piloting New Student Communication

- Bolt Report via email (Monthly update for students)
- Monthly Calendar, Flex Sign up, Student Life, Athletics, Chapel, Grads, Special Events: & Opportunity for Service (coordinated by our House Directors)

Upcoming Events

1. ALS Society of BC

- 2025 LCS Grads: Noelle VanHuizen, Finn Sawatzy and Emma Spencer. Receiving Leaders of Tomorrow Award, Friday April 11 for their work on the 9th Annual Move to Cure ALS Event

2. Assessment Day (April 21)

- The intent of taking this Assessment Day is to minimize the disruptions of the BC Ministry of Education assessments on our school schedule while also introducing a new assessment for both our grade 9 and grade 11 students.
- All Grade 9-12 students are required to participate in Assessment Day taking place on April, 21 2026.
- The Provincial Graduation Literacy Assessments assess student proficiency in Literacy. These assessments are graduation requirements and to be completed during a student's Gr. 10 and Gr. 12 school years.

- The PSAT for Grade 9 and 11 students is a standardized test that measures the knowledge and skills in reading, writing and math that students learn in the classroom.
- This information fuels our conversations related to student learning and assists us in accessing and communicating evidence-based reasoning for the educational choices we make at LCS.

3. Musical Theatre 'The Little Mermaid: April 15-25

- The MS Gym has once again been transformed; you will be transported "UNDER THE SEA"
- Total number of students involve Gr. 9-12 60 high schools in 10 shows
- Team of staff members and other students through courses that have contributed set production, lighting and sound, costumes...the list is extensive.
- Thank you to all our parent volunteers- too many to name.
- It is SOLD OUT....Email to waitlist tickets

4. Career Day April 22

- Students to explore career opportunities and post secondary options
- Jacky Huberts, HS Academic Counsellor Increase of 10 presenters + 11 post secondary institutions
- 43 presenters: 10 of these being LCS parents, and 5 alumni

5. Grade 12 Capstone April 29

- All High School parents and Gr. 11 students are encouraged to attend

- Celebration of Grade 12 student's learning; opportunity for grads to share their story of learning and discovering their gifts.

6. Music Celebration

- The MS Honour Band received Gold at Kiwanis
- SR Jazz got a Gold Standard at Surrey Jazz Festival
- The JR And SR Tour are attending Musicfest Canada May 12-16 in Niagara Falls & Toronto
- On behalf of the Connor, I would express gratitude to the PAC for supporting both band trips financially
- He and his students are looking forward to the senior band upcoming performances at CLA, Elementary School & the PAC BBQ on June 1st.

Head of Schools Report to PAC #5

April 2025

VISION: A thriving Christian learning community, connected outward and inward, serving together as leaders who model best practices to empower students to have an impact in a changing world... for the Glory of God.

1. **2026-2027 Calendar is now finalized ...** look for the new calendar this week in On the Go.
2. The 2025 Lightning Impact Report is now available: <https://www.langleychristian.com/2025-impact-report/>
3. **"Bolt!" The Story of Langley Christian's Mascot** is now available for a minimum \$25 donation. Send an email to development@langleychristian.com to receive your copy.
4. **Less than \$1.8M left to raise to meet our middle school fundraising goal!**
 - **Every gift or pledge between now and May 1 is doubled.** Two existing donors have offered to match every dollar raised this month.
 - **Your one-time gift or pledge really matters.** We are entering our final 100 days of the fundraising effort. The new school will be completed in July and we will need to know how much our final post-construction mortgage will be.
 - **This is your last chance!** We're in the final 100 days of our campaign to raise what we need to finish the middle school project. Our fundraising campaign will end this July, so if you've not made a commitment yet we really need your help. Reach out to Adam directly for more information or to make a donation headofschool@langleychristian.com
 - Thank you to the 412 donors who've helped us raise a historic amount of money to support our building project.
5. **Middle School opening in weeks, not months!**
 - Plans in place to update high school staffroom and office as ongoing Phase 3 renovations.
 - Future plans for Phase 3 include fitness center, cafeteria/service kitchen, updated classrooms, Learning Support Services Center and restoration of the "old" middle school annex that will be vacated in June.
6. **Come out to May 25 Society Meeting.**
 - LCS Board and SLT will share the 2026-2027 tuition schedule increase, busing information and plans for next school year.
 - We will also be sharing the final version of the Board of Directors' 2030 Strategic Plan that will set the priorities for LCS in 4 key areas over the next 5 years.
7. **Policy Updates coming soon...**

- Welcome Statement updated
- Disciplinary Policies updated

8. Old news... Grade 6 class added for 2026-2027

- As we've shared at previous PAC meetings this year, LCS is adding a 5th grade 6 class to the new middle school this fall. We have nearly filled this class already and anticipate significant interest in 2027.
- Our total school population K-12 in September is tracking for approximately 1315 students. When the middle school campus opens our total capacity for students will be 1540 students.
 - (a) Elementary - 100 students per grade; 600 total students (currently 570)
 - (b) Middle - 130 students per grade) 390 total students (currently 330)
 - (c) High - 550 total students (currently 425)

9. SLT is revisiting the enrollment and admissions process for September 2026

- We anticipate increasing competition and application processing strains so are revising our process to include two application periods for all families applying for grades 1-12:
 - (a) Early admission: September 1-November 1 >>> all decisions will be communicated on February 15 for all applications.
 - (b) All applications received after November 1 will be processed when and if there are remaining spaces for the following school year.

10. Other questions from parents...

- How do we process calendar feedback?
